  - 2. Lynn informed everyone that there is an Average change for the Tournaments effective the 2018 Winter Season. Lynn showed and explained the options that were discussed in the board meeting. There was a question and answer session regarding the options, and all in attendance agreed that the 2<sup>nd</sup> option the board chose, was in the best interest of the Tournament bowlers.

3. Lynn presented the Learn to Bowl concept to the attendees, explaining that we, as an association, need to introduce more people to the sport of bowling and bring more people into our leagues. Lynn asked all of us to think about having a Learn to Bowl clinic in our geographic area of our leagues; example-Orange County, San Gabriel Valley, L.A., San Fernando Valley, etc. The Learn to Bowl events probably won't happen until next year, but please give this some serious thought. The idea is to approach the Japanese Community centers, churches, and other Japanese organizations.
4. The Holiday Craft Fair was discussed next. Lynn asked to let us know about any vendors or even new vendors. We are awaiting word on whether it will be at AMF Beverly Lanes this year.
5. Lynn reported that there were requests to have more Senior events on the calendar. On April 30<sup>th</sup>, a Senior Singles event at 11 A.M. will be held at Linbrook Bowl.
6. The Storm Ball Offer was explained by Lynn to those leagues that are not participating. Of the 18 Nikkei Leagues in the Association, only 7 are participating. The SCNBA will be having the offer again in the fall season of 2017.

In conclusion of the meeting, Lynn asked that before anyone leaves, photos of the leagues represented, need to be taken.

The meeting was adjourned by President Lynn Matsubara at 12:30 P.M. Lunch was now being served.
