

Southern California Nikkei Bowling Association (SCNBA)

Minutes for the Meeting: October 1, 2016

Location: The Loft, Gardena

- I. Call to order by Eric Yokoyama at 11:12 A.M. Also in attendance: Lynn Matsubara, Jeri Ando, and Lynne Tomita.
- II. Eric informed the board that he is stepping down since he is moving to Las Vegas before the end of the month. He recommended that Lynn Matsubara take over the Presidency. The board members agreed to the suggestion. There will be a discussion as to fill the vacancy of the Vice Presidency at the next meeting. Eric stated that Jerry Armstrong is interested in joining the Board.
- III. Eric, Lynn and Jeri went to the Union Bank to change the signature card so that Lynn and Jeri can be added and that Jane and Eric be taken off. We could only make the change with Jeri since that change was documented in our last minutes. Lynn and Jeri will have to go back to the bank with the Oct. 1 minutes to have Lynn added to the account as the new President. It was also discovered at the bank that the account name was never changed from the Southern California Nikkei Men's Bowling Association to the Southern California Nikkei Bowling Association. Eric moved to have the name changed and the motion passed. Lynn and Jeri will go back to Union Bank when the minutes are released next week to reflect the changes of the account and adding Lynn as a signer.

The meeting was adjourned by President Eric Yokoyama at 1:30 P.M.

Minutes submitted by: Lynne Tomita. Date: October 6, 2016.
