

Minutes for the Meeting: July 15, 2018

Location: Linbrook Bowl, Anaheim

- I. Call to order by Lynn Matsubara at 2:15 P.M.
- II. Attendance: Lynn Matsubara, Allan Goya, Stacey Kosaka, Jerry Armstrong, Jeri Ando and Lynne Tomita. Also attending the meeting was David Hayashida.
- III. Lynn reported there was one scholarship application received. The applicant is Bing Lau, Jr. Bing bowled the Pepsi Youth Bowling Championships and the Grand Prix Scholarship tournaments, did a lot of volunteer work and was an honor student. A proposal to pay \$200 as the scholarship award and was approved by all in attendance. Lynn also announced that the application was revised for the future to be more specific for bowling criteria to make it easier for grading purposes. The old grading system wasn't specific enough on the bowling background. While academics are important, bowling achievements, attendance in leagues, and volunteering achievements will weigh in the grading.

Each SCNBA director was each given a sample of the accessory case that will be given to the champions next season and a sample of the staple remover/paper cutter that will be our new giveaway item this year.

Lynn reported that the checks for the Vegas tournament are signed and ready to mail. There was one mistake of \$60 in the ragtime doubles, so SCNBA will be making up for the difference. The contract is signed for next year's tournament and it is the same lineage price and same weekend and in June.

Next tournament is the Singles event here at Linbrook Bowl on 8/5/18. There is one new tournament coming, the Baker Trios Classic to be held on 11/18/18 at AMF Beverly Lanes. After the Singles tournament is completed, Lynn will calculate the tournament averages for the year and see if anyone 15+ pins needs to be re-rated for the 2018-19 season.

Lynn announced that we need to do cost containments. One way would be to consolidate the secretary and the treasurers' positions. After the Singles event is put to bed, she will revise the bylaws and update the nomination forms. The secretary duties will fall with our current Treasurer. Lynn will also use Mailchimp to send out notifications to all the bowlers for the upcoming meeting dates.

The meeting was adjourned by President Lynn Matsubara at 2:45 P.M. The next meeting to be determined.
